

Using Bystanders in First Aid

- ❑ *Ask if any bystanders know first aid,*
- ❑ *Bring them with you to phone EMS, get them to give history of accident,*
- ❑ *Carry equipment to your other guard,*
- ❑ *Put on a blanket,*
- ❑ *Hold/stabilize an injury (give them gloves),*
- ❑ *Write down vitals & history,*
- ❑ *Ask other patients for history,*
- ❑ *Treat a simple injury (pour water, apply ice, etc.),*
- ❑ *Communicate a message to another guard,*
